

INDUSTRIAL STRENGTH

Household ADHESIVE

5000 lb bonding strength!

World's Fastest & Strongest Glue

The only glue you'll ever use!

Inoteca™
INSTANT BOND.com

Bonds in 3 seconds

Instant gluing, repairing, fastening, rebuilding.

Instantbond is the fastest curing high performance adhesive superglue. When used together with the Activator spray, bonding time is reduced to mere seconds, at an incredible 5000lb bonding strength which is nearly impossible to break.

Repair an item and be back working and functioning within seconds at full strength!

There is nothing on the market like this! Instantbond gives you the freedom of letting go, *"no holding, no clamps, no nails, no tape, or waiting with other inferior glues"*

Imagine the uses, a **TRUE adhesive breakthrough!**..... Enjoy the freedom!

- **No Nails**
- **No Tape**
- **No Wait**
- **No Clamp**
- **No Kidding!**
